Authority (BARDA) Division of Research, Innovation & Ventures
(DRIVE)

Amendment 016 Issuance for Easy Broad Agency Announcement
(EZ-BAA) BAA-22-100-SOL-00003

The purpose of this Amendment is the following:

1) Pause the following Area of Interest (AOI):

AOI #24: REPAIR

INTRODUCTION AND OVERVIEW INFORMATION

A. Development Opportunity Objective:

Under this Amendment, DRIVE is doing the following:

- 1) Pausing the following research Area of Interest (AOI):

AOI #24: REPAIR

B. Eligible Respondents & Scope Parameters:

This Amendment is open to all responsible sources as described in the EZ-BAA. Abstract submissions that do not conform to the requirements outlined in the EZ-BAA may be considered non-responsive and will not be reviewed. In particular, an entity must have an active registration with <https://sam.gov> at the time of submission to be reviewed. If not, the abstract submission will not be reviewed and will be rejected. Please do not attempt to submit an abstract if your registration is not active in <https://sam.gov>.

IMPORTANT NOTE: Interested vendors are strongly encouraged to request and schedule a pre-submission call before submitting an abstract. This request should include the project title, key project staff, and a brief description of the proposed project. Please submit the requests to the following:

AOI #24: REPAIR (repair@hhs.gov)

The closing date for abstract submissions for this AOI has been revised to the date listed below. Note: At this time we anticipate that AOI 24: REPAIR will be reopened for submissions at a later date.

Area of Interest	Closing Date for Abstract Submissions
#24	12:00pm ET on November 1, 2023

Note: In an effort to streamline the EZ-BAA, all Areas of Interest will be open for a few months at a time following a staggered approach. This is being done in an effort to encourage high-quality submissions earlier in the fiscal year allowing adequate review time. Depending on programmatic need and funding availability, Areas of Interest may be reopened for another period of time.

C. Number of Awards:

Multiple awards are anticipated and are dependent upon the program priorities, scientific/technical merit of abstract submissions, how well the abstract submissions fit within the goals of the AOI, and the availability of funding. The program funding is subject to change

based on the Government's discretion.

Funding is limited, so we encourage any interested vendors to reach out to the respective program as soon as possible before submitting an abstract.

D. Amendment Application Process:

This Amendment will follow the same submission process and review procedures as those established under this EZ-BAA, unless otherwise noted. For complete details, please read the EZ-BAA in its entirety along with all amendments.

IMPORTANT NOTE: Respondents who are awarded a contract under each of these AOIs will be required to share any collected, de-identified data in an effort to advance the field and knowledge. Interested Respondents are strongly encouraged to commercialize their technology and algorithms, however note that consistent with BARDA's mission and federal standards, data collected through the use of government funding will be delivered to BARDA for government usage pursuant to applicable regulations and law.
